MEMORANDUM FOR: Dr. Stevens
Mr. Lehman
[redacted]

X1

At the Staff Meeting this morning, [redacted] thanked me for my memorandum about his treaty with the Defense Department on the location of the segment of NITC in the Pentagon. 25X

He said that he would send forward with his memo a copy of my memo as well because he thought it would be useful to draw the attention of the Director to this aspect of the problem. He said he interpreted our memo as not objecting to any of the terms of his agreement with the Pentagon, but rather as calling attention to a gap or aspect which should be dealt with.

He also said he regretted that we had not been informed earlier and would be discussing further aspects with us as the details developed.

[redacted] 25X
